action, which caused them to ask for the opinion of the Attorney Jeneral.

The result of Mr. Grogory's finding is expected to be that the La Follette law will be a bone of contention in the next session of Congress. Senator La Follette's friends said to-night that if this interpretation of the law was allowed to stand the Senator would lead a fight to so amend the faw that its requirements would be forced on every foreign passenger carrying ship which visited ports of this country. It was said that organized labor would be behind the Senator.

On the other hand, the friends of American ship, ing will be encouraged

Waiting Truck When On the other hand, the friends of American ship, ing will be encouraged to try to repeal the law, because under the Attorney General's ruling it makes the discrimination against American ships much more effective than was contemplated when the bill was passed. It was the original intention of Senator La Follette to have its provisions apply to all passenger ships of every nation visiting American ports. This. BOY TO HOSPITAL

gently.

Olin H. Landreth, of Schenectady, took the same view. He said that it was merely an accident of history that English was our national language, but that since it was it should be recognized and respected.

The Democrats, almost to a man, stood solidly against the proposal. Morgan J. O'Brien, Robert F. Wagner and "Al" Smith led the fight against it.

and "Al" Smith led the light against it.
"If the ability to write one's name is a test of good citizenship," said Mr. Smith, "there are hundreds of men in Mr. Osborne's home for wayward men on the Hudson able to qualify, for not only have they proved their ability to write their own names, but the names of others."

Guard Service Board

Laws, Root's Warning

[From a Staff Correspondent of The Tribune.]

Albany, Aug. 25.—In a speech in the Constitutional Convention this evening wherein he called a spade a spade. Elliu Root declared that too much tinkering with the public service commissions would lead to a return of the days of the "black horse cavalry," when bills were introduced in the When Sould service and the sould be sound to the sould be sound be should be sound be should be sound be sounded by the sould be sound be

these commissions."

George W. Wickersham offered a substitute proposal which would permit the Governor to remove the Public Service Commissioners on charges without the concerns of the conc without the concurrence of the Senate. This power he now exercises. The amendment as proposed by the Public Utilities Committee would make it necessary for the Governor to obtain the consent of the Senate before removing the commissioners. Mr. Wickersha: said this was too rigid, as the next twenty years might bring about conditions making necessary new regulations, whic' the committee proposal would prevent.

would prevent.

Another feature of the proposal which has met with objection was the provision restraining the Legislature from enacting rate legislation until after a public service commisson had investigated and reported to the Legislature. Many saw in this an opportunity for harassing public utility corporations.

Mr. Wickersham's substitute leaving to the Legislature the right to abolish one of the two commissions was critically and the proposal which has met with objection was the provision restraining the Legislature and gold go-cart, rolled by Master Morton Gabriel Falk, son of Master Morton Gabriel Falk, son of Master Morton Gabriel Falk, son of Some war aeroplanes which he planned to sell to the United States. When he was called to the office of Dr. De Giers's lawyer he thought the call had to do with these negotiations. There were entries in the burlesque and doll coach divisions. Master George depicted Charles Chaplin in "The Tramp," and Miss Chaplin in "The Tramp, Stevenson said he had been negotiat

State in Francy Power Gar.

One hundred rabbis from all parts of the United States met last night in convention at the Ohab Zedek Synagogue, 172 Norfolk Street, to plan a campaign in aid of the Jewish war sufferers. The rabbis will conduct a personal campaign throughout the country to raise a fund of several hundred thousand dollars.

A proclamation, rarely issued, will be sent to all Orthodox Jews to come to the relief of their suffering brethren. Special prayers will be offered for the apprixtual welfare of the sufferers. The rabbis plans will be unfolded to-night when the Rev. Drs. M. Z. Margolies, S. A. Jaga, Philip Klein, Meyer Berlin, J. A. Frommer and Aaron Teitelbaum will speak.
